2026 Jane Scholarships

In partnership with benefactors from around the world, Jane provides almost two hundred thousand dollars annually to its residents in the form of scholarships.

Scholarships are crucial to achieving our purpose, allowing talent and motivation to be the guiding principles for entry into Jane and not personal circumstances or financial constraint.

Scholarships are awarded using specific criteria. For some, the amount varies according to monetary interest rates and the generosity of particular donors.

Scholarships are paid as a remission of fees and students are encouraged to apply for as many scholarships as possible.

As most of our scholarships are community focused, shortlisted applicants will be required to attend an interview with the College, preferably in person.

The following scholarships must be applied for through the University of Tasmania website at utas.edu.au/scholarships:

- Hilary and Alan Wallace Scholarship in Medicine
- James Fenton Memorial Scholarship

Applications for the 2026 calendar year close on **31 October 2025**.

Selection process

- To be considered for a scholarship, students must have applied for residency at Jane by close of business Friday 31 October 2025. Those who have submitted an application for a scholarship but have not submitted an application for residency at the College by the due date will not be considered for a scholarship.
- The Jane Scholarships Committee meets in late 2025 to determine scholarship recipients. Successful applicants are notified by email as soon as practical after those meetings, although it is possible that some recipients may not be informed until the beginning of Semester 1 2026.
- Applicants are encouraged to apply for as many Jane and University scholarships as they are eligible for.
- Selection of the successful recipients is undertaken by assessing all those who applied for scholarships. Students who do not apply cannot be considered even if their results were higher than those received by the scholarship winner.
- The Committee's decisions are final and no further correspondence will be entered into. Unfortunately, due to tight timeframes, unsuccessful applicants will not be contacted.
- All scholarship recipients must be residents at Jane in 2026. Withdrawal from the College will mean forfeiture of the scholarship.
- Unfortunately, due to the nature of funding for scholarships, deferrals of scholarships are not permitted.
