Jane is more than just a place to stay while studying. You'll become part of a supportive community that cares about every aspect of your life. You'll make lifelong friends and be supported academically. You'll enjoy good food and great times because unlike other accommodation, you don't just stay here, you belong here.

JANE 

WHY JANE

NESTLED IN THE HEART OF HOBART AND STEEPED IN TRADITION, JANE OFFERS A UNIQUE RESIDENTIAL EXPERIENCE WHERE STUDENTS ARE WELCOMED INTO A VIBRANT, INCLUSIVE COMMUNITY THAT CELEBRATES INDIVIDUALITY AND CONNECTION. IT'S A PLACE WHERE YOU CAN BE WHOLLY AND TRULY YOURSELF – AND BE VALUED FOR IT.

Whether you're sharing meals in the Dining Hall, attending academic and wellbeing programs, joining formal dinners or college clubs, or simply enjoying everyday moments with friends, life at Jane is rich with opportunity, support and meaning.

Here, you'll be known by name and supported every step of the way — academically, socially, and personally. You'll find the freedom to explore who you are and who you want to become, within a community that encourages independence while offering deep care and connection.

Most of all, you'll forge friendships that last far beyond your university years. Jane isn't just where you stay while you study, it's where you find your people, your place, and the confidence to thrive.

LIVING AT JANE

JANE OFFERS WELCOMING SPACES THAT PROMOTE REST, CONNECTION AND STUDY. WHETHER IT'S QUIET ROOMS, LEAFY GARDENS, OR COSY COMMON AREAS, OUR ENVIRONMENT IS DESIGNED TO HELP STUDENTS FLOURISH.

Jane has three types of rooms available: single, double and ensuite. We want it to be a place you can call your own, so feel free to decorate the space with your own rugs, artwork, lamps and shelves. You're always welcome to book a tour and see the rooms for yourself. Just get in touch with us to arrange a visit.

Common spaces

In addition to your personal, fully furnished room, we have shared kitchenettes and common rooms where you can relax and hang out with friends.

We have several recreational areas where you can watch TV, play pool and table tennis, or use the turfed sporting area to play basketball, netball and badminton. For those studying music or who like playing a musical instrument, there are several music practice rooms.

Wellbeing at Jane

Jane believes that for students to thrive academically and personally, they must feel supported, safe, and genuinely connected to their community. That's why we take a whole-college approach to wellbeing, integrating care and support into every part of College life.

Safety and security

All students live in single occupancy rooms and are supported by a network of staff and peers. Jane is secure after hours and students can report issues safely and anonymously using our RespectX tool. Community safety is further enhanced through regular meals, shared events, and strong micro-communities.

“We’re on a mission to make Jane a space that feels warm, welcoming, and truly yours - not just another college accommodation block. Imagine cosy corners with natural timber, soft textures and rich colours that celebrate the beautiful gardens and stunning views outside your window. We’ll style one room to spark ideas, but your room? That’s your blank canvas. Make it your own. Fill it with what inspires you, what comforts you, what makes you feel at home.” —

12 Jane's values

Jane has four key values that support an overarching purpose, to foster the development of intellectually and socially well-rounded citizens for an increasingly diverse world.

Intellectual Enquiry

Jane values students' thirst for knowledge and their keenness to engage and commit to collective learning about themselves and the world.

Respect

Jane values attitudes that transcend fear-driven or emotionally charged arguments about opinions, beliefs, perspectives or background. Instead, we encourage scholarly debate to shape our understanding of all.

Collegiality

Jane encourages participation by all members of the community in College life and leadership.

Courage

Jane values opportunities to grow and challenge ourselves, confidently moving outside our comfort zones knowing we have structure and support behind us. We welcome the chance to build resilience, self-confidence and determination.

Jane is an inclusive, global community

Jane welcomes students from across the world and all subject disciplines, regardless of race, religion, age, abilities, gender alignment or sexual orientation.

The only proviso is that they are studying at a higher education institution such as the University of Tasmania.

Jane's Academic Development Program sets you up for success

Jane knows that academic success is about more than just grades—it's about feeling confident, supported and inspired throughout your university journey.

That's why we've developed a comprehensive Academic Development Program designed to help you thrive at every stage of your studies. Whether you're adjusting to the demands of first-year university or pushing towards new challenges in your final year, Jane offers a personalised academic support system that grows with you.

Here's what makes our academic support different:

- **Peer-to-peer learning:** Weekly study sessions run by experienced senior students help you master content, learn effective study strategies, and feel part of a collaborative learning community.
- **Expert guidance:** Our Dean of Academic Studies, along with academic mentors, tutors, and College Fellows, provides tailored support, course advice, and direct help navigating university systems.
- **Real-world extension:** We offer occasional workshops and extension opportunities that stretch your thinking beyond the classroom and prepare you for what's next.
- **Mentorship and advocacy:** One-on-one meetings and ongoing engagement with our academic team mean you're never alone in your journey—we're here to celebrate your wins and support you through the tough patches.
- **Strong university links:** We help you connect with all the academic resources the University of Tasmania offers—from learning support to accessibility services—while adding our own layer of personalised care.
- **Our Academic Development Program is built around one core belief:** when students feel supported and purposeful in their learning, they succeed. At Jane, you'll find the tools, the people, and the encouragement to help you reach your academic goals.

Scholarships are crucial to achieving our purpose, allowing talent and motivation to be the guiding principles for entry into Jane and not personal circumstances or financial constraint.

As most of our scholarships are community focused, shortlisted applicants will be required to attend an interview at the College, preferably in person.

Scholarships are paid as a remission of fees and students are encouraged to apply for as many scholarships as possible. Discover more and apply at www.jane.edu.au.
